

Activiteitbeschrijving

Deze activiteit bestaat uit 3 versies:

- Schrijfpatronen
- Woorden in schrijffletters
- Woorden in blokletters

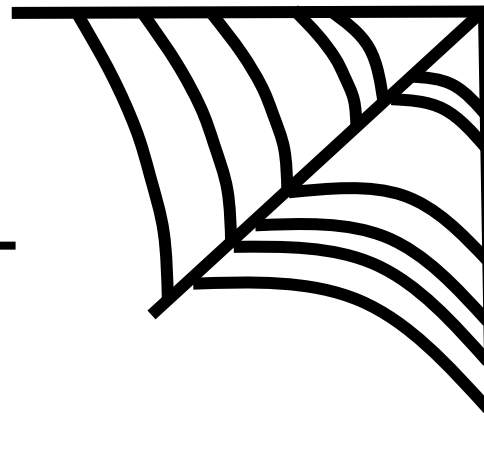

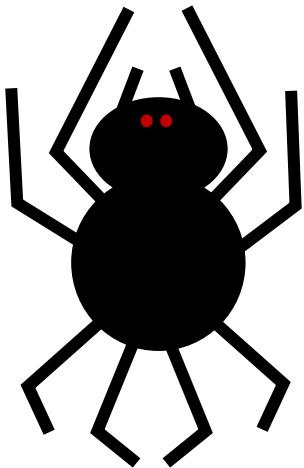

Print de kaarten en lamineer ze. Laat de kinderen op het plaatje van de spin een echte spin plaatsen. Vervolgens gebruiken de kinderen een whiteboard marker om het woord of het patroon te schrijven. Als het de kinderen lukt om het woord/patroon foutloos te schrijven, mag de spin naar zijn web lopen.

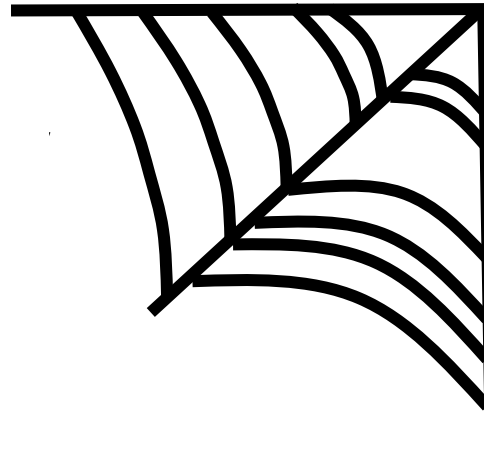

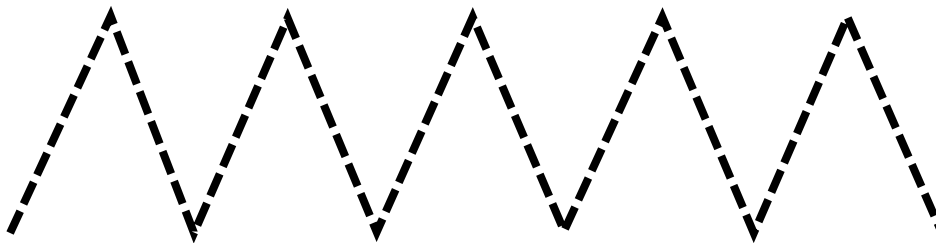

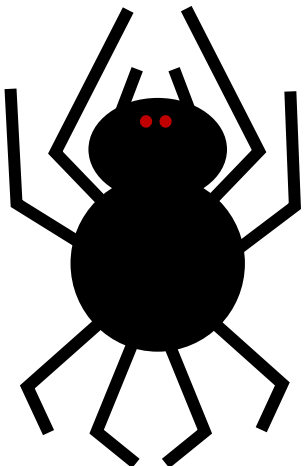

Tip 1: Om de activiteit moeilijker te maken kun je ook afspreken dat de spin niet mag bewegen tijdens het schrijven. Beweegt de spin wel? Moet je overnieuw beginnen.

Tip 2: In kleine groepjes kun je er ook een spelelement aan toevoegen: Wie de meeste spinnen naar het web weet te krijgen, wint.
